Preamble:

The evidence describes EGI's Large Volume Direct Access program for Union Rate T2 and Union Rate 100 customers. Also in evidence are the direct program costs of this program.

Questions:

- (a) Please provide the total costs - budgeted and actual - attributable to or allocated to the Large Volume Direct Access Offering in 2019, broken down by major program cost elements (i.e. incentives, promotion, evaluation, administration, portfolio costs), but excluding low-income program costs allocated.
- (b) If possible please break out the information provided in response to part (a) between Rate T2 and Rate 100 customers.
