Dear Ms. Marconi:

Re: EB-2021-0002 – Enbridge Gas Inc. (EGI) 2022-2027 DSM Plan Application.

Industrial Gas Users Association (IGUA) – March 28th Transcript Corrections.

Having reviewed yesterday's transcript of examination on behalf of IGUA of EGI's Panel 1 in the captioned proceeding, I note and request the following corrections:

1. Page 14, line 13: "LDC" should be "LVC".
2. Page 25, line 8: The word "adjustment" should be "abatement" (as used again in line 13 on the same page).
3. Page 38, line 24: The word "edge" should be "passage".
4. Page 45, line 7: The word "Styrenics" followed by a period should be inserted after the period following the word "close".
5. Page 46, line 9: There should be no "s" on the word "footprint".
6. Page 54, line 17: The word "surprisingly" should be "unsurprisingly".

Thank you for your assistance.

Yours truly,

Ian A. Mondrow
